WeCareJax's Patient Services Program increases the availability of quality specialty health care for Duval County's uninsured adults living at 200% or less of the federal poverty level. More than 500 volunteer specialty physicians and providers offer consultation and medical care at no cost to the patient or their family. Patients are referred by a network of free and charitably primary care clinics to WeCareJax when patients need advanced diagnostics or specialty care. Our team manages the referral process to support improved healthcare outcomes, from diagnosis through surgery, treatment, and beyond. The program is supported by the contribution of diagnostic labs, imaging, and hospital care by the public and private sector. Where donated services are not available, the team raises funds to offset out-of-pocket expenses for medication, supplies, and durable medical equipment. The value of donated care totaled \$ \$13,270,493 for the year ended September 30, 2020 and served 1,661 patients. Despite the pandemic, the team secured 14% more appointments than the previous year, working with providers and patients to pivot to telemedicine options wherever possible.
